

On behalf of the Mansfield Sailing club, I am pleased to welcome you to the upcoming sailing season.

The trustees have been meeting regularly in the off season planning for another great year. We have put together a tentative Calendar. Along with the listed events there will be plenty of side activities to get involved with. We would like to highlight our Holiday Series Picnics and Sunset Sails as such events.

We are always looking for ways to improve the club. Any suggestions along with the help to implement improvements will be greatly appreciated by all.

Please fill out Fee Schedule and send back before April 1st.

The membership year runs from April 1 to March 31 of the following year.
